Kids in the Kitchen Update

Parents of Kids in the Kitchen – I am in need of your opinion. Our expenses have been higher than the money we bring in for the last few meals, and I have absorbed the cost. I will not continue to do this. I'd like some feedback from you as to what changes you would like to see. Right now the kids make a main course meal, a dessert and a fancy drink (which you'd never get anywhere for \$5!). Our choices are to up the price to \$10, with the hope that there will be money left over for our last meal of the school year, and we will be able to charge less or not at all for it, or we keep the price at \$5, make a main course, with no drink or dessert.

Please send me your opinion via email at teri.scheidt@lskysd.ca or text 306 372-7711.

Thank you, Teri Scheidt
